GLENDALE CITY DIRECTORY

THE HOUSEHOLDERS GUIDE

The first section of the Directory gives a complete list of all the houses and buildings within the city limits. Streets being listed in alphabetical order with their location from one of the main arteries, and the houses in numerical order giving the corresponding head of the house.

THE ALPHABETICAL SECTION

contains 26,340 names of adults. Using the multiple of 2½ which allows for the wife and children under 18 not listed, we find the population of Glendale to be 65,850. An increase of 8,805 since the last Directory was compiled.

THE CLASSIFIED BUSINESS DIRECTORY

The last section of the book gives in alphabetical order all lines of businesses, professional men, etc.

Names appearing in black face type are those whose cooperation has made this work possible.
